

The EBSCO *Learning Express DoD Test Prep* is designed specifically for your unique needs. This invaluable tool offers resources for any active or retired service member, as well as their families.

With EBSCO LearningExpress DoD Test Prep you can:

- Prepare for military tests such as AFOQT, DSST and ASVAB
- Study for DSST® tests, TOEFL iBT® test, IELTS test, SAT®s and more
- Brush up on math, science, reading, writing and grammar skills
- Improve your computer skills by becoming proficient in programs such as Microsoft Windows, Excel, Access and more
- Access resources that help active military transition to civilian careers
- Prepare to take career certification exams for a wide range of occupations including air traffic controller, firefighter, electrician, border patrol and many more
- Prepare for the GED®, HiSET®, and TASC™ tests
- Discover careers that match your interests and skills and search for jobs and internships
- Find resources that will help you build a standout resume to get hired
- Give your children and family members access to learning resources for elementary, middle school, high school and college students focused on reading, writing, social studies, math and science
