MilEd Benefits App Section for VolEd Professionals

Here Is How It Works

Go to: www.myvoled.com/app to link to Apple iOS and Android download sites.

Once the app is downloaded, VolEd Counselors will be able to enter an access code for viewing additional content under settings at the bottom of the app's dropdown menu.

Once the access code is entered, Counselors can view: Professional Development Training Calendars, VolEd Staff Surveys, News & Announcements, PDI, and Education Training Videos.

Email Ms. Emily Bachman to get the access code at: DANTES_outreach@navy.mil

There is now a Professional Development Tool on the MilEd Benefits App, available just for the VolEd Professional Community. The VolEd Professional Development section is under a hidden access code.

DANTES VolEd Professional Development Section for Education Counselors can be found within the MilEd Benefits Mobile App in 4 easy steps!
