# COUNSELOR GUIDE: OASC

Register, Access, Train, Monitor

1

Contact Peterson's Support team at: support@petersons.com to acquire your base code.

2

Visit
https://dantes.petersons.com/educator

Using your base code, complete your registration form.

3

Log in to the Educator Portal at: https://dantes.petersons.com/educator

Scroll down the screen to the Educator Training Course module and select, "Access Training Course."

4

Take the Educator Training Course to ensure you know how to navigate the software properly.

5

Monitor learner progress by individual or base. Assess usage, progress, and performance.
